Contractions

Dear Parents,

In word study this week, we are studying contractions. Students will be learning that contractions are two words that have been shortened into one word. An apostrophe is placed where the two words have come together and takes the place of any letters that are omitted.

Do not- don't that is- that's

Students should study the 10 assigned pattern words below. On the final test, there will be an additional 10 words that contain the spelling patterns studied this week. Students are not expected to study those words ahead of time. Please assist your child in preparing for the test by making sure he or she completes the attached word study homework packet.

Making Words

Directions: Cut out the first word (white). Then cut out the second word (gray).
Combine the tiles to make pairs of words that can become contractions. Record the
CONTRACTIONS on the next page. Have an adult look over your work to make sure you
used the correct pattern in each word your recorded.

could	they
he	are
she	I
she	have
it	has
we	had
what	will
what	would
they	does
we	I

not	are
is	are
will	not
is	had
will	
is	
will	
is	
will	
have	

Name: _____

Date: _____

Word Sort

Write the contractions according to what word is abbreviated at the END of the word.

not	is	will	are/were	have/had

Please have a parent (or other adult) check to make sure you spelled your words using the correct pattern before returning this sheet to school.
